## A BILL

To amend the National and Community Service Act of 1990 to promote active citizenship, including volunteerism, community dialogue, and service, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-  
2 tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “International & Na-  
5 tional Service Promotion to Ignite Renewed Engagement  
6 Act” or the “INSPIRE Act”.

1   **SEC. 2. PURPOSES AND FINDINGS.**

2       (a) PURPOSES.—The purpose of this Act is to—

3               (1) promote active citizenship, including vol-  
4               unteerism, community dialogue, and service;

5               (2) encourage and expand peaceful, positive,  
6               and respectful patriotic acts both nationally and  
7               internationally; and

8               (3) increase educational benefits for those that  
9               serve so that more people will not only have the fi-  
10               nancial ability to perform extensive community serv-  
11               ice, but to increase the overall number of national  
12               and international volunteers to 260,000, and provide  
13               an additional 240,000 teachers and health profes-  
14               sionals to underserved areas.

15       (b) FINDINGS.—Congress finds the following:

16               (1) On April 21, 2009, the President signed the  
17               Edward M. Kennedy Serve America Act, to amend  
18               and reauthorize the National and Community Serv-  
19               ice Act of 1990 and Domestic Volunteer Service Act  
20               of 1973.

21               (2) The Edward M. Kennedy Serve America  
22               Act set bold benchmarks for expanding the number  
23               and scope of service in the United States.

24               (3) The Edward M. Kennedy Serve America  
25               Act required the Corporation for National and Com-  
26               munity Service to develop a plan to increase the

1       number of approved national service positions from  
2       88,000 in fiscal year 2010 to 250,000 in fiscal year  
3       2017.

4                 (4) The total national service positions in fiscal  
5       year 2016 were 85,928, 149,072 less than the  
6       235,000 authorized in the Edward M. Kennedy  
7       Serve America Act.

8                 (5) Congress should renew its commitment to  
9       national service and appropriate funds necessary to  
10      support the increased national service positions in  
11      the Edward M. Kennedy Serve America Act.

12                 (6) The Peace Corps was founded in 1961 to  
13       promoting world peace and friendship by improving  
14       the lives of those they serve, helping others under-  
15       stand American culture, and sharing their experi-  
16       ence with Americans back home.

17                 (7) Nearly 225,000 Peace Corps volunteers  
18       have served in 141 countries over the lifetime of the  
19       program.

20                 (8) In 1985 Congress made it the policy of the  
21       United States to maintain consistent with pro-  
22       grammatic and fiscal considerations, a Peace Corps  
23       volunteer level of at least 10,000 individuals.

24                 (9) 10,000 individuals has not been reached  
25       since 1968, although the objective has been reiter-

1       ated by three Presidents. In 2016 the Peace Corps  
2       had about 7,213 volunteers serving in 65 nations.

(11) Encouraging national and international service fosters community dialogue, inclusive relationships, and positive actions.
